**Statement
Of
Anthem Blue Cross and Blue Shield
On
SB 393 An Act Concerning Standards In Health Care Provider Contracts.**

Good afternoon, Senator Crisco, Representative Fontana and members of the Insurance and Real Estate Committee. My name is Christine Cappiello and I am the Director of Government Relations for Anthem Blue Cross and Blue Shield in Connecticut. I am here today to SB 393 An Act Concerning Standards In Health Care Provider Contracts

We have been working closely through the Chairs of the Committee with the CT State Medical Society on the issues that the provider community has expressed and working towards statutory solutions. It is our sincere hope that we will continue meet and reach mutual agreement.

Thank you for the opportunity to speak to you today and I welcome any questions you might have.
